**Marijana Čizanski, National Missionary, Serbia**

Marijana works alongside Ron and Jeannie Seck and is leading the development of Community Health Evangelism ministries in Serbia. Marijana has a background in hospice care and social services, both of which have helped shape her love for those in great need. Last month she completed a two-month, fourteen

-church tour with Ron and Jeannie of partnering churches in the United States, sharing about the outreach and community development work Marijana and her team are a part of in Serbia. In September, she will be overseeing the construction of a community center in the community of Donji Petrovac with the assistance of villagers and teams from North and South Dakota. Pray for the ongoing relationships Marijana and her team are building in this community, as well as the other communities they serve.
