Faith for Life is back for our fall session!

What does every Christian need to know and do to stay faithful for life? While this is a class designed for people baptized in the last year, we invite all Christians to come explore biblical principles and practical advice to answer that question. If you are young in the faith or just need something to help reinforce your foundation, this course is for you. We'll have seven sessions where we will dive into topics like:

- How do we have a heart and mind devoted to God's Word?
- Why should I pray if God already knows everything?
- How do we deal with our sins and the sins of others?
- The Holy Spirit, the body of Christ, understanding grace, and more...

You'll benefit the most from this if you fully commit to all the sessions. Also, if you have someone who is mentoring you, please ask them to attend with you.

When: Starting September 20 at 1 pm. We'll have seven classes, one per week on Sundays with one week off (no class on Oct. 11)

Where: Virtual

Here are the registration details:

1. From the browser go to classroom.google.com.
2. Log in with your Google account (it's free to make one).
3. Click the "+" symbol, then "Join class".
4. Enter the class code to join: **ur4rauh**.

From the Google Classrooms app:

Sunday Series

The Kingdom of God is everyone and everything that submits to the rule and reign of King Jesus. As we analyze Jesus' "red letter" teachings, we realize that they are incredibly radical. His teachings are so different from anything in this world. And the most radical of them all — to follow him every day. Join us as we dive into the rule and reign of Jesus by examining his radical teachings in our next sermon series "Radical Every Day."

Let Us Pray...

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

Prayer Requests

“Pray in the spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere.” - Ephesians 6:18

For specific prayers requests during this time of “social distancing and racial injustice,” please email PRAYERS@NRCOC.COM.

- Prayers are requested for Larry Barwick, a dear friend of The Mackintosh/Kelsey family. He was diagnosed with non-Hodgkin's lymphoma and recently discovered it had spread to his brain. He will be undergoing extended chemotherapy for many weeks. Please pray for a complete recovery for Larry and the whole Barwick family.
- David and Tobi Hedrick (with the Chattanooga Church) request prayers for their 19-year-old nephew, Ethan Norman. He broke his neck in a swimming accident and is being treated at the Shepherd Center in Atlanta.

Register for AIM Classes: Spiritual Life (July 26, 2020 - September 30, 2020)

The Bible places far more emphasis on who we are inside than how we behave or appear to others. We have all seen too many comrades-in-arms fall, not rebounding but remaining fallen due to a weak walk with the Lord, while others continue to go forward to do great things despite formidable obstacles. The course covers character, sexual issues, financial responsibility (guest speaker), and so much more. The secret of Jesus' disciple: the inner spiritual life.

[Click here to register now.](#)

The class is now open through September 30.

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

VISION
WORLD DISCIPLESHIP SUMMIT

POSTPONED TO
SUMMER OF 2022

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less

demand on the hotels, nearby restaurants, public flow within our venues, and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

- JULY 28-31 ICMC: (Campus) and ISC (Singles)
- JULY 31-AUG. 3 ILC: (International Leadership Conference)
- AUG. 4-7 FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers)
- FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees)
- SPANISH Conference

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

Fix Your Eyes On Jesus

**2020
VISION**

This year's theme at North River is "Fix Your Eyes on Jesus" from Hebrews 12:2. This is especially important for us to do in uncertain times. We started the year studying the entire book of Hebrews, and going forward, we will continue to focus on Jesus more and more. For ways to get more insight, check out the North River [Sermons](#) or [Women's Page](#) for more resources.

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the Outdoors column (if the event you are considering attending will be outdoors) or the Indoors column (if the event is indoors). Find the rows in the Number of People column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the Mask column) and whether or not everyone is social distancing (YES in the Social Distancing column). The level of risk varies depending on each of these factors.

- All private events for members (weddings, birthday or grad parties, showers, etc.), will incur charges.

Thanks for cooperating. Please send your questions to events@nrcoc.com.

Helpful Guide for Potential Coronavirus Risk

by Kevin Broyles - 25 May 2020

*The levels of risk are based upon current national and local data and medical opinion.
The data and guidelines are not black and white; we are in a gray zone.*

* Potential Level of Risk 0 - no risk 1 - very low risk 2 - low risk 3 - moderate risk 4 - high risk 5+ - very high risk

Potential Risk Calculator	Virtual	0 Point
	Not virtual - face to face	Add 1 Point
	Indoors > 5 people or Outdoors > 10 people	Add 1 Point
	Not wearing masks	Add 1 Point
	Not social distanced	Add 1 Point
	Older, Immune Compromised, Chronic Diseases	Add 1 Point

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts **Transmission** Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
