Fundamentals for Spiritual Maturity Lesson 21 Outline

"Being Spirit Filled" Eph. 5:18-21 3 June 2020

Being filled with the Spirit is simply letting the ____ dominate our lives.

Peter always wanted to be where Jesus was and when he was near Jesus, three things stand out in the Bible: he ___ the miraculous, ____ the miraculous, and ___ miraculous courage.

But all it took for Peter was to get separated from Jesus and he was a _____.

But when Jesus left this earth Peter was again back to doing miraculous things.

Why? Because he was filled with the Spirit.

So here is my conclusion. Being filled with the Spirit is the same thing as living as if you are standing next to? _____ _____.

The heart of the whole of the Spirit-filled life is Christ consciousness.

The truth of a Spirit-controlled life is all over the New Testament.

The Spirit-controlled life. It's a walking thing. It's one step at a time. It's just taking one step at a time in the Spirit; that is, being under the control of the Spirit.

And the way to override our sinfulness and the way to override our evil desires and the way to override the temptations of Satan is simply to walk in the Spirit.

See, the _____ thing takes care of the _____ problem.

There's a ___ going on in you.

The best way to explain the flesh is that the flesh is the beachhead of sin. It is where Satan lands with his temptation.

There is an element of man that is opposed to _____.

Two things cannot occupy your mind at the same time. You cannot be concentrating on Jesus Christ and concentrating on temptation and the lust of the flesh at the same time.

If you walk in the Spirit, you will escape the chastening of God. But if you do the things of the flesh, you fall under the consequence of a violation of God's law.

Every day, when one decision comes and the next decision, from morning until night, if you yield to the control of the Spirit of God. What is going to happen as you walk in the Spirit? The _____ of the Spirit will be produced, and this will characterize your life.
