

Part 4: Courage

If we won't change, then we can't grow. Our lives can be different. We can experience a more authentic connection with God and deeper relationships with others, but we need to be willing to do things differently. The first step in changing is admitting that we need to, and that will take courage.

Scripture: 2 Samuel 11:1-27

Discussion Questions

Our Life Groups ministry takes a break through the months of July & August.
