Part 1: Go Out Of Your Way
Our culture is often closed off. We hide in our houses. We aren't good at asking for help. We keep a polite distance, so as not to intrude into people's lives. It's time to go above and beyond and get involved in people's lives. It is time to show up like few people in our culture will.

Scripture: Luke 10:25-37

Bottom Line: Following Jesus is about showing up not showing off. It isn't about how you look but how you love.
