

**Part Four: Service**

Everyone likes to be pampered. Having someone else cater to our needs feels good. Part of what happens when we mature is that we start to realize that while having other people serve us is good, taking the opportunity to serve others is great.

Scripture: Mark 6:30-44

Bottom Line: God often uses small sacrifices to make a big impact.

Discussion Questions

Our Life Groups ministry takes a break through the months of July & August.
