Study/Discussion series by Andy Stanley Tuesdays at 7pm at the church

Ask 100 people to define it, you'll get 100 different definitions. It's likely that all 100 will be incorrect.

Here's what this series looks at:

- * What one word should be descriptive of every Christian
- * How Jesus followers should treat those who are outside the faith
- * Why people love Jesus but can't stand his followers

Tips from the Green Team

Fibre is compostable - lets use it !

- * line the bottom of your green bin with some news paper, it will soak up any mess and keep your bin cleaner.
- * when peeling carrots, potatoes etc or any messy food products use a couple of pages of newspaper to wrap them in before depositing in the bin.
