

\$5 – 5 WAYS

HELPING SENIORS IN BUYE ONE \$5 AT A TIME

September Coffee Fundraiser

Did you know that for \$5 we can provide a full year, 365 days, worth of medical coverage (at 80%) for a senior living in Buyé who would otherwise not be able to afford medical care?

The Edmonton diocese invites you and your parish to do a ONE-after service coffee/hospitality hour on any Sunday in September. We ask parishioners to donate \$5, if able, to this amazing medical initiative for our partners in Buyé diocese.

Let's break down the numbers... If we have 53 parishes and in each parish 20 people donate \$5 that's \$5,300 raised and that means

1,060 seniors would receive a FULL YEAR of health coverage!
We are all called to love our neighbours and what a beautiful act of outreach this fundraiser will provide.

1. Offers seniors a FULL YEAR of medical coverage

2. Covers 80% of their medical bills

3. Makes attaining medical care a reality

4. Provides loving service to those in need

5. Change a life – change a future
