

Founded in 1995, Closer to Home Community Services (CTH) mission is: Empowering Families to Stay Together. This is the focus of everything they do.

Closer to Home serves children and their families many of whom are at risk of family breakdown and require supportive intervention services. We have evolved into an essential community and family support service offering programs in Calgary, Airdrie, and surrounding rural areas.

We provide a broad array of strength-based and family-centered services that teach, coach, and support families to create new possibilities and achieve better futures together.

Our group and foster care services ensure that children have stable, healthy and safe living environments in which to grow and develop. In some cases, when families are separated, we provide a place for children and youth to call home while offering therapeutic support with the ultimate goal of family reunification.

**Starting November 24 please take a gift tag from the tree in the foyer. Each tag has a gift suggestion on it. Place the gift and the gift tag in a bag and place it under the tree in the foyer. There are special containers for gift cards.**

**In order to give us time to sort and deliver we request that all gifts be in on or before Sunday, December 15 and no later than December 18. We deeply appreciate your continued generosity and compassion that will touch and bless the lives of others this Christmas.**
