

4 WEEK

There are almost 8 billion people living in the world today. How do we reach them with the Gospel? Be prayerful. Be sensitive. Be love.

As you pray this week, pray that God will:

- **Give** you the courage to share your faith in creative ways everywhere you go.
- **Remind** you that God places people in your life who need to know Him as Savior.
- **Unite** your family in prayer as you pray for people in your life who don't know Jesus.
