

2 WEEK

Church is not about me being comfortable. Church isn't about me getting my way. Church needs to be a place where I continually ask: "What must I do to reach the world for Jesus?" I need to be willing to let go of my comforts and desires for the sake of the gospel.

As you pray this week, pray that God will:

- **Lead** Pastor Jeffrey and the First Baptist Ministry Team.
- **Give** you a greater burden for people who don't know Jesus.
- **Show** you how you and your family can serve and keep serving in the church.
