Hebrews Part 11

Pastor Lewis Massarelli
October 7, 2018

Read **Hebrews 8 & 9**

Describe the differences between the old and new covenants.

Do you see evidence in your life of the new covenant playing out in your own heart and your community as God described it would? Explain.

Describe the sacrificial system.

Who became the final and perfect sacrifice?

What is the significance of blood in each covenant?

What is the purpose of Jesus return, when he comes again a second time?

THIS WEEK'S **APPLICATION . . .**

Pray and ask the Holy Spirit to write his laws on your heart just the way he said he would, then pray that you would be given the grace and discipline to live out of that new heart.
