- Hesik, Annameekee. *Driving Lessons: A You Know Who Girls Novel*. Valley Falls, NY: Bold Strokes Books, 2014(c). T F H584d  
Abbey Brooks has recovered from her end-of-freshman-year heartbreak and has vowed that this year, her sophomore year at Gila High, will be different in every way. Her to-do list: get her driver's license, come out to her mom, get (and keep) a girlfriend, and survive another year of basketball. As always, though, nothing goes according to plan. Who will be there for her as her plans start to unravel? Who will bring her back to life after another round of heartache and betrayal? These remain a mystery even to Abbey. But one thing is for sure, she's not confused about who she is. And that is going to make all the difference.

Portraits, family photographs, and candid images grace the pages, augmenting the emotional and physical journey each youth has taken. Each honest discussion and disclosure, whether joyful or heartbreaking, is completely different from the other because of family dynamics, living situations, gender, and the transition these teens make in recognition of their true selves.

But three years later, Jude and Noah are barely speaking. .... What the twins don't realize is that they each have only half the story, and if they could just find their way back to one another, they'd have a chance to remake their world.
