*We should hire three or four colored ministers, preferably with social-service backgrounds, and with engaging personalities. The most successful educational approach to the Negro is through a religious appeal. We don't want the word to go out that we want to **exterminate the Negro population**, and the minister is the man who can straighten out that idea if it ever occurs to any of their more rebellious members.*

Genesis 49:5-7 Simeon and Levi are brethren; instruments of cruelty are in their habitations. 6 O my soul, come not thou into their secret; unto their assembly, mine honour, be not thou united: for in their anger they slew a man, and in their selfwill they digged down a wall. 7 Cursed be their anger, for it was fierce; and their wrath, for it was cruel: I will divide them in Jacob, and scatter them in Israel.
