

1-All Day Long

1 Samuel 17

1. What insight, principle or observation from this week's message did you find to be most helpful, eye opening or troubling? Please explain.
2. In what area of life are you needing more faith or more courage because you facing a "giant", an impossibility, or the odds are stacked against you?
3. After reading the story of David and Goliath, was it that David had great courage and faith, or was he just seeing something very different than the rest of the Israelite army? What might this say about what we need?
4. What are some things you know you can, and need to do this week to help redirect your eyes even as you still face the "giant"?
5. Read Psalm 25:1-5. How does this Psalm help you redirect your eyes. Consider memorizing it this week, or maybe just verse one and/or verse 5.
6. Pray together.
