Men of Bethel

This is a reminder of our next Men's Breakfast, held in the foyer, planned for September. These meetings are non threatening, friendly, hospitable and instructive. If you have a friend who would be comfortable in this environment why don't you invite him to come along as your guest.

To help defray costs, there will be a good will opportunity available.

ACTIVITY THIS MONTH: (1) Scriptural message - Roger Roth
(2) Refurbishing sleigh, learn how to steam and bend wood..
