

## **NOTES TO THE FINANCIAL STATEMENT**

**MAY 2017**

### **FIRST UNITED CHURCH – HANNA**

1. The newsletter and narrative budget went out right after council meeting last month.
2. The trustees met and transferred \$6500 from the investment to the operating in time to cover payroll at the end of April. The finance committee thanks them for their quick action.
3. Offerings are on the downward trend still – down \$4000 from last year at this time. Hoping that the newsletter will spark some interest and conversation on giving.
