This Special Parish Council Meeting was called to discuss and take possible further action on applying for a \$100,000 grant that would be used to build a ramp to the lower hall. The discussion led to a motion that would allow for an application to be filled and sent before the looming deadline. Please note that if the application is successful, we are not obligated to proceed with the building of the ramp. If the application is approved, decisions will need to be made regarding the potential building of the ramp. The cost of building the ramp will be carefully considered before making a decision of whether or not to move ahead with its' building of the ramp. It should be noted that Diocesan Council will need to approve any projects that cost more than \$20,000.

Motion: moved by Joan Huzar and seconded by Carol Denton - Parish Council gives approval to submit an application to the federal government through its' ENABLING ACCESSIBILITY FUND/EMPLOYMENT and SOCIAL DEVELOPMENT CANADA in the amount of \$100,000 to be used to build a ramp to St. John the Divine Church's lower hall.
