Christ's and Ours	The Necessity of the Resurrection: Christ's and Ours

Going Deener

Does the reality of your future resurrection affect how you live now? How should it? Read 1 Cor. 15:32-34. Read v.58. This verse is Paul telling us what should happen in light of the fact of Christ's resurrection and our future resurrection. Reflect on this. Read Rom. 6:4-11 and Eph. 1:19 -22; 2:6-7. Though we await our bodily resurrection, what are some things that are presently true for us because of Christ's resurrection?
