Huy ch q'u.

It was with great sadness that we heard of the sudden death of your Hereditary Chief, Senupin, Chief Andy. He was a respected leader in our community. The Times Colonist and other media outlets have reported so well on his many accomplishments. He was involved in great and important matters for your Nation, his family and the entire community. We are sure that he had dreams and hopes for more and trust that these will live on as he is remembered. His voice will continue to be heard.

The people of the Diocese of British Columbia are a people committed to reconciliation and walking a Sacred Journey as partners with you and all First Nation communities. We hope that you understand that we hurt with you at this time.

Personally, and on behalf of all Anglican people of these islands and inlets I extend our deepest condolences. You are all in our prayers and thoughts.

Yours,
