LAUNCH OF CAMPAIGN 2019: *UNDER OUR ROOF AND BEYOND OUR WALLS*

Today is the launch of **Campaign 2019** when we will greet the co-chairs and commission the people who have already stepped forward to be visitors. As parishioners receive letters inviting them to be visited in the Capital Campaign, anticipation is building. We look forward to a fruitful campaign which will enable us to protect, restore, renew and reimagine St Philip's for the future. If you have not received a mailing, talk to a warden. Take home the campaign insert in the bulletin and visit the website for updates and events.

PARISH PICNIC - JUNE 16, PLEASE HELP!

REFUGEE NEWS: THEY'RE HERE!

Lama's parents, Nasriddin and Fatmeh, and her brother Ward landed in Vancouver on Thursday, May 16. They were met by their very excited family, and refugee support volunteers Peter Fryer, Debbie Matheson, Michael and Joanne Vondette, and Lorisa Schouela. It was a really lovely family reunification for us to see. Next begins the long parade of appointments to enroll them in the systems of social insurance, health care, banking, federal support, and language classes. More volunteers are needed for driving to appointments, bus training, family activities, boys' sports, and accompanying the grandparents. We especially need active male role models. Our sponsorship of Lama and her children continues, while our support of Narsiddin, Fatmeh and Ward has just begun. We have a goal of raising \$25,000 to continue this ministry. Can you help? Please donate by cheque or on our website through Canada Helps: specify your donation for the Refugee Fund.

We also need another member for our indoor team. If you would be willing to make sandwiches or boil eggs once a month, please let us know!

The following is a summary of the activities of the Westside Anglicans Neighbourhood Ministry from the beginning of May (May 15 - May 30 inclusive), including highlights from our Saturday Street Outreach teams and our Mobile Care Unit (MCU).

Over the course of the last two weeks, the MCU social service teams visiting St. Augustine's, Kits Showers and M. Mitchell Place served a total of 6 clients, while the medical side saw 5 clients. The Street Teams made 16 connections in the Neighbourhood.

What does an MCU Angel do? The Angel accompanies the client to appointments or assists them one-on-one with further assistance, particularly when there is a concern for time. Thank you to all our MCU Angels who go "above and beyond" for our friends.

Thank you to the parishioners from St. Anselm's, St. Philip's and St. Helen's and St. John's for their generosity of items donated.

For a full write up from the street teams and Mobile Care Unit, please subscribe to our email list by contacting Beth, our Office Administrator, at ministrymcu@gmail.com
