**Our togetherness is marked by our intention
to share hope and heart and presence,
while living justly.**

Honour each other... stay safe: body, mind and spirit.

All music is by Jennifer Scott unless indicated. We continue to celebrate the wonderful musicians that support our Jazz Vespers.

The reading by Richard Rohr was from his book *The Universal Christ*. The reading by Eckhart Tolle was from his book *Oneness With All Life*. Other readings are taken from *Love Poems from God* translated by Daniel Ladinsky.
