

## **Memorial Park Report – September 2017**

Carrot Cake Sale – September 28<sup>th</sup> – organized and ready to go!

Thanks to the committee members for watering flowers and trimming the trees, the park looked great this year. Thanks to Lana and Ira for mowing the park and church area.

Planted two trees in memory of Yvonne Tolton and have a new plaque to place by the tree. These were purchased from the Medical Clinic.

Replaced a couple of shrubs.

Flowers will be coming out soon, as it is starting to freeze at night.
