Update from the Treasurer

As the end of the year approaches, please be in prayer about what God would have you give towards the Christmas missions projects (White Gift Offering) - details yet to come.

Please also be praying for wisdom for PTC leadership as they discuss the 2021 budget, especially with so many unknowns due to Covid.

Missionary of the Week
Daniel and Joi Ehmann,
World Team, France
Praise God for many new churches in the Paris region, one of which started over 25 years ago, which Daniel and Joi attend virtually. They support the church planting teams and their leaders through training opportunities. Pray for COVID travel challenges regarding a Leader Cohort training, scheduled for mid-March in Italy. Pray, too, for energy management and spiritual impact on all of their ministry relations.

GOD’S AWESOMENESS
Sunday night via Zoom at 6:30 p.m.
LIVING WATERS—An unforgettable film that challenges scientific materialism with the timeless truth about the origin and complexity of life on earth. It celebrates the created beauty and brilliance of the biological systems that make possible all the life in the oceans, the liquid universe that covers more than 70% of our planet.
