

**may we  
pray for  
you?**

**Would you like your very own PanPal?**

Someone to pray for you by name during this time of pandemic.

Maybe you are a healthcare worker, a grocery employee, or someone facing other stressful home or workplace challenges.

Members of St. Clement's Anglican Church in Lynn Valley would be honoured to hold you in prayer - people of all faiths and no faith are welcome.

All we need is your first name and we can go from there!

More info and a request form is on our website:
