1 TIME OF PRAISE

Welcome to Youth Worship! In this month, we will be learning more about who Jesus is, while some might say that He is a teacher, a magician, or even a fraud, we will look at who Jesus truly is and what was His mission here. We invite you to begin your worship by joining the praise section of our English Worship at english.mykec.ca.

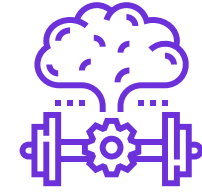

2 MESSAGE

INTRODUCTION

How would you answer the question who Jesus is? Is Jesus a prophet? Or is Jesus a good moral teacher? Is Jesus a magician? Or perhaps He was someone delusional and thought that He was someone important? When you ask this question to your friends around you, how would they respond? "Who is Jesus?" is an important question because who that person is to you affects how you treat that person. For examples, if the person is a thief, you will call the police to arrest him. If the person is a bully, you will distance yourself from him. If the person is your coach, you will listen to his advice on how to play the game.

Today we will look at who Jesus is and what others thought of Jesus.

3 LET'S FIND OUT!

1. What did the video say about Jesus?
2. Why is there a need for Jesus to come to the world?

We go all the way back to the start of creation and find out the reason why we need the Messiah. We see that we have made mistakes and that we need to be redeemed. And Jesus is the promised Messiah who came to redeem us from our sins. **Jesus is the Messiah, that is who He is.**

4 WHAT DOES THE BIBLE SAY?

What does the Bible say about who Jesus is:

- Read John 20:30-31 and Mark 1:10-11
- The Bible explicitly says that
 - Jesus is the **Messiah**, the Son of God (John 20:31)
 - You are my beloved **Son** [God's Son], with you I am well pleased. (Mark 1:11)
- The Bible tells us clearly who Jesus is, He is the Messiah and the Son of God.

The above passages show us that Jesus is the Son of God. And when we call Jesus the Messiah, it tells us that He is here to save us and that He is here to redeem* us.

***redemption** (Greek: apolutrosis) refers to the deliverance of Christians from sin.

Reflection:

1. Does the world need a Messiah, a Saviour?
2. Do I need Jesus to save me from my sins?

When we ask the question "Who is Jesus?", the Bible gives us these answers: **Jesus is God's eternal Son and Israel's Messiah. He is the promised Savior.**

It might be difficult to understand what it means when we say that Jesus is the Messiah, but that is what the New Testament invites us to believe as story unfolds in the Bible.

5 HOW CAN WE RESPOND?

When we know more about Jesus, we also know God more. Jesus came to the world and all His words and actions showed us how much God loves and cares for us.

Think about who Jesus is, and how you would interact with Him.

Respond by filling in the blank:

If Jesus is the Son of God, I would _____

If Jesus is the Messiah, I would _____

This coming week, click [HERE](#) to complete the 7 days Bible study plan on the Book of Matthew. This month we will use this Bible study plan to get to know Jesus and commit to a relationship with the one who is the Messiah and our Saviour.

Come back next week and we will explore more on the topic of Who is Jesus.
