CAMPER AGREEMENT:

(Please review our camper code of conduct carefully)

It is our commitment to provide a rich and wonderful camp experience for all kids. To assist us in offering the best camp experience we possibly can, please review our camper code of conduct with your child (see below). We want to create a safe and nurturing environment for everyone! Generally these rules fall under what we refer to as the three "R's"

Respect yourself. Campers are expected, in accordance with their age, to take appropriate care of themselves (personal hygiene, getting sufficient sleep, dressing warmly and appropriately)

Respect the environment. Zoom Camp takes place on Highway Gospel Church property. We want campers to be stewards of this area for future generations and those use these facilities.

Respect others. We expect campers to treat one another, our staff, and cooks with courtesy and respect.

If any camper behaves in a way which compromises our ability to foster a sense of respect and preserve the dignity of every person at camp (campers and staff alike), then it must be understood they will be dealt with as described below. There is a more rigorous set of policies and procedures dealing with staff conduct that parents are able to review upon request.

Any camper that breaks any of the following in-house rules will be sent home immediately.

- Weapons or any implement that our staff deem dangerous or potentially dangerous are strictly prohibited.
- Stealing or borrowing other people's possessions without their consent will not be tolerated.
- Vandalizing or damage to camp property and equipment is a serious offence and will not be tolerated. This includes any damage to facilities, window screens, doors, washrooms, classrooms, dining hall, any other buildings, signs, program equipment and including the natural environment. You will be held responsible for the cost of repair or replacement, including labour costs.
- Defacing camp property in any way is also considered a serious offence. Any graffiti including writing, drawing, carving or painting names/pictures etc. furniture, walls or any other buildings are all examples of this and will not be tolerated. You will be held responsible for cleanup, repair or replacement.
- Tampering with any safety devices including smoke alarms and fire extinguishers is a serious offence and will not be tolerated.
- Behaviour, such as bullying, teasing, harassment, swearing, acts of aggression, pranks, practical jokes or disrespect for other people or the environment are not tolerated at Zoom camp. What may seem harmless to you may have lasting emotional or physical consequences for others.
- Campers must remain inside our designated boundary (this will be explained to campers during their tour of our facilities).

We reserve the right to dismiss a camper who does not comply with our Code of Conduct.

I have read and agree to abide by the policies of Zoom Camp and Camper Code of Conduct, and enter into all activities with a positive spirit.
