

Community Questions for November 22, 2020

The praise song in Ex 15 was preceded by a period of hopeful waiting on the Lord to act.

How does Dr Fauci's admonition impact you? Help is on the way but help is not here yet.

What are some of the coping strategies that help you to wait out the pandemic? What is your greatest struggle?

Pray for yourself, your family, your church, your neighbours etc, that God would enable them to cope well during this time.
