Next Sunday, October 11, we invite you to come worship with us in person!

Each of our Sunday services over the next two weeks will be open to 50 people in addition to the worship team, which will mean a total of about 70 to 75 people in the auditorium. After these next two weeks, we will begin having services in the auditorium by Community. Please note that while masked children are always welcome at church, there will not be any classes until late October or early November when Nursery One class (6 months-1 year) is planned.

Registration is now open and after this week, registration will open on Sunday at 11 am for next week's service. The link will be on the website, the e-newsletter, and posted in the Livestream and Facebook Live chats. The first 50 people who sign up will receive an email confirmation for the current week.

Please click the following links:

We look forward to seeing you all on Sunday!

Children's Ministry Coming Back Soon!

The Children's Ministry has been providing kids church services for families each Sunday and will continue to do so. However, as guidance from public health officials reflects a shift in vigilance, we are excited to begin a measured, cautious, and tiered approach to reopening live classes for children in late October or early November.

We believe that beginning with our youngest population (6 months to one year called "Nursery One"), we can safely monitor the continued rolling out of classes. There will be a registration process for those eligible for class. Parents can expect to see us utilizing temperature checks and screening questions on both children and teachers alike. Teachers will be wearing both a mask and a face shield, and we will initially only allow a couple of babies per classroom to reduce crowding, thereby dedicating additional classrooms to be used for the Nursery. Families will cue in line six feet apart to drop off and pick up children and will not be allowed in the classroom.

Prayerfully, if our Nursery One class can meet successfully for a month, we will then add a Nursery Two class (potentially late November) that would utilize the same precautions. We will continue to add a class per month based on how experts recommend continuation, and will take every precaution to keep our precious children safe as we worship God.

Please stay tuned to our River Kids' Facebook page and church website for upcoming forms and information!

North River Teen Goes to College!

From our very own North River Teen Ministry, Caleb Anderson is in college! Why is this unique you may ask? Well, Caleb is only 12 years old! Caleb just started his sophomore year at Chattahoochee Technical College majoring in Aerospace Engineering. He is on track to graduate at 14 years old, and hopes to go to Georgia Tech, and maybe MIT. Keep going after greatness, Caleb!

To read more of Caleb's story, please check out his story on 11 Alive News by [clicking here](#).

Let Us Pray...

I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people - for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved. — 1 Timothy 2:1-4a

We have a Podcast!

We will be posting audio content each week with our Sunday sermons going live every Monday morning. In the show notes for the sermons, you'll find study/discussion questions for you and/or your small group! We've also started a devotional program called "Manna in a Minute," with short 1-2 minute devotionals going out multiple times a week. These are designed to help us focus our hearts and minds as we go about our busy week. In addition to this, we are designing additional programming to incorporate into our podcast platform in the coming weeks and months. You can find "North River Podcast" wherever you get your podcasts. Please subscribe and check back regularly!

POSTPONED: 2020 Vision Conference in Orlando

[For all the latest updates go to the website HERE.](#)

VISION
WORLD DISCIPLESHIP SUMMIT

**POSTPONED TO
SUMMER OF 2022**

It is with mixed emotions that we will be unable to host the VISION Conference in Orlando this summer. However, it has become apparent that the impact of COVID-19 has overshadowed the possibility to actualize this worldwide event this year as planned. We, like many of you, were certainly looking forward to a time of fellowship and celebration, and so this is a disappointment for sure.

So in order to find available dates, we have decided to stagger the conference. Instead of hosting more than 20,000 disciples over the same four days, we'll see two (2) distinct waves of attendees that will put less demand on the hotels, nearby restaurants, public flow within our venues, and an overall reduction of our mass gatherings at any one time:

NEW DATES FOR THE 2022 WORLD DISCIPLESHIP SUMMIT:

JULY 28-31	ICMC: (Campus) and ISC (Singles)
JULY 31-AUG. 3	ILC: (International Leadership Conference)
AUG. 4-7	FAMILY: (Parents, Single Parents, Kids, Middle & High Schoolers)
	FOREVER FAITHFUL: (Empty Nesters, Marrieds w/o Kids, Retirees)
	SPANISH Conference

North River's Vision Statement

We are a diverse family of believers who answered the call to be disciples of Jesus Christ. We are being transformed by God's Word, His Grace, and the Holy Spirit. Through small groups and deep relationships with one another, we join in Jesus' ministry and mission to make and mature disciples while we care for the needs of people. We do this to save as many as possible for the glory of God.

Fix Your Eyes On Jesus

This year's theme at North River is "Fix Your Eyes on Jesus" from Hebrews 12:2. This is especially important for us to do in uncertain times. We started the year studying the entire book of Hebrews, and going forward, we will continue to focus on Jesus more and more. For ways to get more insight, check out the North River [Sermons](#) or [Women's Page](#) for more resources.

Coronavirus Risk Guidelines

Our own Dr. Kevin Broyles came up with [the following chart linked here and on the last page](#) that can help you assess the risk of a social gathering. He based it on the best practices and recommendations of organizations like the CDC, WHO, Johns Hopkins University, and Georgia Department of Public Health, but the chart is not reviewed or endorsed by any of those organizations. The chart is NOT medical advice or a substitute for doing your own research, but it is additional information.

To use it to assess the relative risk of an outdoor or indoor activity, first look at the [Outdoors](#) column (if the event you are considering attending will be outdoors) or the [Indoors](#) column (if the event is indoors). Find the rows in the [Number of People](#) column that accurately describe the number of people at the event. Then ask whether or not everyone is wearing masks (YES in the [Mask](#) column) and whether or not everyone is social distancing (YES in the [Social Distancing](#) column). The level of risk varies depending on each of these factors.

Need a Place to Stay? Have a Room for Rent?

There are several people in the North River family who are looking for housing or roommates. (This includes single women, single men, and sometimes couples)

There ALSO might be those among us who have a spare room, a basement, or an in-law suite. We

would love to match people up and even help start some new spiritual households! If you would like to help or need help, please send any info to our hospitality volunteer to Sierra at sierrapierce19@gmail.com. Pulling all together, we can meet many needs. Thank you.

How to Get Your Kids in Children's Classes

Requesting a Room or Building at North River

As good stewards of all that God gives us, let us keep the following in mind concerning our buildings:

- Treat the buildings as though they are your home. (They are!)
- To request a spot go to www.nrcoc.org, [click on Resources and select Facility Request](#). Easily fill out and submit from a phone or laptop.
- All private events for members (weddings, birthday or grad parties, showers, etc.), will incur charges.
- HVAC systems and security are scheduled ahead of time, so we ask that you put in all requests **at least two weeks before your event**. Most requests are processed within 48 hours.
- Members and guests are not permitted to use any rooms without a reservation.
- Bear with each other if you don't get your desired spot – or for the time you need it. Flexibility is key!
- **Reminder: The FLC and The Lighthouse are NUT-FREE.** Please keep this in mind when bringing lunch or potluck meals. Thank you for keeping those with serious food allergies safe.

Thanks for cooperating. Please send your questions to events@nrcoc.com.

Helpful Guide for Potential Coronavirus Risk

by Kevin Broyles - 25 May 2020

The levels of risk are based upon current national and local data and medical opinion.

The data and guidelines are not black and white; we are in a gray zone.

Type of Meeting	Number of People*	Outdoors	Indoors	Mask*	Social Distancing*	Level of Risk*
Virtual	N/A	N/A	N/A	N/A	N/A	0

In Person	11 or more	YES		NO	NO	5

* Potential Level of Risk 0 - no risk 1 - very low risk 2 - low risk 3 - moderate risk 4 - high risk 5+ - very high risk

Potential Risk Calculator	Virtual	0 Point
	Not virtual - face to face	Add 1 Point
Indoors > 5 people or Outdoors > 10 people		Add 1 Point
Not wearing masks		Add 1 Point
Not social distanced		Add 1 Point
Older, Immune Compromised, Chronic Diseases		Add 1 Point

* Number of People CDC recommendations: Indoors group of 5 or less people, Outdoors group of 10 or less people

* Mask Remember: Masks are helpful to keep you from spreading coronavirus to others, they do not keep you from getting an infection.

* Distancing CDC distancing recommendations based on activity:
 Normal activity (conversation, walking) - 6 feet apart
 Vigorous activity (like exercise, sports, singing, forceful speaking) 12 feet apart
 Time of exposure: longer times (>15 minutes) are more risk than short times
 Do not expose others or be exposed to anyone with symptoms: cough, fever, flu or cold-like symptoms, or recent exposure to a COVID-19 positive individual
 Smaller spaces have higher risks (bathrooms, elevators)

Hygiene Wash your hands frequently (5x/day - reduces risk by 35%)
 Clean exposed surfaces
 Do not touch your face, eyes, mouth

Current Thoughts Transmission Up to 40% of people can be contagious before they have symptoms
 Transmission 35% of people infected will never have symptoms
 Social distancing Without social distancing it was estimated that the USA would have had 35 times the number of deaths
 Children 150 cases of pediatric multi-system inflammatory syndrome after have COVID-19 infection
 Contact Tracing Georgia Public Health Department will begin tracing contacts in the near future
 Vaccine Some optimism from one company about an effective vaccine - would be available January 2021 at the earliest
 Treatment Some positive results from remdesivir combined with other medications in hospitalized patients
 Treatment No scientific evidence that hydroxychloroquine or chloroquine is helpful to prevent or treat, some evidence it is harmful.
 Antibody Test A qualitative test. It is either positive or negative (doesn't measure level of antibody)
 Antibody Test Becomes positive after 7-14 days of exposure or symptoms. If tested too early - may get a false negative.
 Antibody Test Positive test doesn't mean immunity.
