Jesus We Love You

Verse 1

Old things have passed away
Your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead
Are breathing in life again
You cause your Son to shine on darkest nights

Pre-Chorus

For all that You've done we will pour out our love
This will be our anthem song

Chorus

(Jesus) we love You
Oh how we love You
You are the one our hearts adore

Verse 2

The hopeless have found their hope
The orphans now have a home
All that was lost has found its place in You

You lift our weary head
You make us strong instead
You took these rags and made us beautiful

Bridge

Our affection our devotion
Poured out on the feet of Jesus
(REPEAT 3X)

Consuming Fire

There must be more than this
O breath of God come breathe within
There must be more than this
Spirit of God we wait for You
Fill us anew we pray (x2)

Consuming fire fan into flame
A passion for Your name
Spirit of God would You fall in this place
Lord have Your way
Lord have Your way with us

Come like a rushing wind
Clothe us with power from on high
Now set the captives free
Leave us abandoned to Your praise
Lord let Your glory fall (x2)

Stir it up in our hearts
A passion for Your name

Still

Hide me now
Under Your wings
Cover me
Within Your mighty hand

When the oceans rise
And thunders roar
I will soar with You
Above the storm
Father You are King
Over the flood
I will be still and know
You are God

In Christ alone
Know His power
In quietness and trust
