- ◇ **First Contact Focus:** We are planting seeds in the garden today; thankful for God's creation. Then we will wrap up our honesty knowing that being truthful with God helps keep us close to Him.
- ◇ We continue to support the children's breakfast program at the local public schools. We encourage the children to bring a small offering on Sunday to donate to the program.
- ◇ This Father's Day, in recognition of the men of First Presbyterian Church, who lead us with their faith and guide us to be like Jesus, a donation has been made by the Children and Youth to Breaking Down Barriers, an organization working towards an inclusive and accessible society where people with disabilities are valued equally. The children will also be handing out wildflower seeds to the men of the congregation as a reminder that every interaction nurtures seeds of faith growing with our young people.
- ◇ Next September we will offer two Youth Groups on Fridays: Grade 4 - 7 and Grade 8 - 12.
