First Contact Focus: For the next six weeks we will talk about Patience. We can be patient because we know that God is in control. When we think we can’t wait, we can talk to God about it. We will explore stories in the Bible where others had to be patient and trust God, which will show us that we, too, can trust God, no matter what.

We continue to support the **children’s breakfast** program at the local public schools. We encourage the children to bring a small offering each Sunday to donate to this important program.
