LIFE WITH GOD FOR THE WORLD

## Living psalm T W E N T Y   T H R E E

*Today Pastor Glen Kyle will walk with us through verse 5 of this well known passage.*

Many of us know Psalm 23 well; but God's desire is that we would **live** this Psalm, that we would know and experience our lives in the intimate care and unceasing work of God, who is our Good Shepherd, and would experience this in the midst of all that life brings: in seasons of want and conflict, in the throes of confusing decisions and feeling lost, in the darkest valleys, and in the face of enemies. These are the places where the Shepherd dwells and works, in grace and love.

## Prayer Matters

This week we pray for **Daniel and Sandi McDougall, with International Student Ministries Canada**. Although UVic's undergraduate students are mostly absent over the summer months, grad students keep going all year! This means that, at this time of year, Daniel and Sandi spend comparatively more time among older, more mature students and researchers. Also, this season is the perfect opportunity to befriend and come alongside UVic's staff, faculty and administration, to discern how to be most helpful to those individuals, and on campus.

Please pray for Daniel and Sandi as they develop relationships, that they would have wisdom for these significant conversations, as God's grace continues to meet folks where they study and work. Please also pray that they would find opportunities for personal rest and refreshment during the summer season.
