

### **Part One: Dream Big**

Do you have big dreams about what you want your life to be about? Don't you wish that accomplishing your goals was as easy as using the Map App on your phone? Just type in your current location and desired destination, and watch the route appear! Well, life is more complicated than that, but there are time-tested principles that can help direct us to our dream destination.

**Scripture:** Proverbs 29:18 & Acts 20:22-24

**Bottom Line:** If you don't have a dream, you won't have direction.

### **Discussion Questions**

1. When you were a kid did you ever have dreams about what you would do when you grew up? What kind of life did you dream about? How did some of those dreams change over time between then and now?
2. In this series we're going to be talking about the dreams that God might give us for our lives. Read Proverbs 29:18. What kinds of things does this verse say about people who have or don't have a clear vision for their life? Spend some time studying the details of this verse. What are some other observations or things that you learn from this verse?
3. Pastor Dave said that some of the characteristics of people who don't have vision are being indecisive, undisciplined and wasteful. Have you ever experienced any of these things at different phases of your life? What was that like? What are some of the challenges when it comes to defining (or discerning) the vision that God has for our lives?
4. Read Acts 20:22-24. What does Paul's example teach us about following God-shaped vision in our lives? Can you identify with what he says?

### **Moving Forward**
