

*Not too many years ago, give or take
We were eating Nel's 90 birthday cake
Life was good, and she could see
Living was quite lovely
Time passed by and Land Shakes Alive
Our Nel had reached 95
And all of us that really cared
Remembered her in daily prayer
Time marches on and is never wrong
But Nel's spirit stays young & strong
And what can be better than happy thinking
Of things past and present, and in the making
2015 has winged its way in
And our Nel is now a Centenarian
We send her love, blessing and all the rest
Our oldest member deserves the best☺*
