

WISDOM & LAUGHTER

Hola Everybody! Isabelle here. Do you recognize this scene? We sure had a good laugh after dinner when Paco thought we had to eat our Bibles! At the end of this newsletter is a colouring sheet for you of this picture. Do you have a Bible? Maybe you could start reading it after dinner just like we do in my family!

Have you memorized our verse yet? See if you can do it by Sunday and we'll say it together during the children's message. It's Proverbs 3:13 "Blessed is the one who finds wisdom, and the one who gets understanding." Great job!

Do you remember the robin eggs that I found last week? Look at them today! How many hatched? How many little birds are still waiting to come out? What do you think those little words would like to eat? Paco thinks they would like gummy bears!

Hola Everybody! Paco here. I took this picture of Pastor Jason with one of his cows. He thinks he's a real farmer now! This cow is named Rogers. Do you remember when I tried to ride Mr. Sanchez's cow? What was the name of that cow? There's a fun activity on the next page to help you figure it out.

Answer the questions below by looking up the verses in your bible.
Then write all the letters that are in the circles to spell the name of
Mr. Sanchez's cow.

Where was Elijah when the Lord came and spoke to him? (1 Kings
19:9)

What's the name of Simon Peter's brother? (Matthew 4:18)

What was the name of the high priest? (John 11:49)

Who was the father-in-law of the high priest? (John 18:13)

Did you figure out the name of Mr. Sanchez's cow? Great job!!!
