Topic: "Turn Amen Into Action" – The COVID-19 Vaccine

Description: The Center for Black Health & Equity and International Health Commission of the AME Church invite you to this especially important discussion on the COVID -19 vaccine. As we hear more about a vaccine and phase III clinical trials, we need to have reputable and accurate information from reliable sources to make informed choices. This webinar will feature speakers from Historically Black Medical Schools, Public Health Officers and Leading Health Administrators for trusted medical facilities. Prior to the webinar we are encouraging registrants to view information provided by the IHC of the AME Church [The AME Church IHC](#) and also [What You Should Know about Human Research and Clinical Trials](#) .
