St. John's Weekly Financial Update

The present trend shows a deficit of \$57,000 by year end. \$35,000 of that was a deficit approved at the AGM last March; the other \$22,000 is the projected shortfall in offerings. Going forward we need offerings of at least \$3,600 per week to stay within the approved deficit. Currently offerings average about \$2,800 per week.
