

Part 2: Know What to Pray

We think about ourselves a lot. We know what we need. We have a good idea of what we want out of life. We even spend a lot of time praying about our own lives. If we want to make an impact on others, we have to move outward, and that starts with prayers that refocus our attention.

Scripture: Matthew 6:9-13

Bottom Line: The power of our prayers is in our partnership with a powerful God.
