

September Welcome!

This semester we saw students swarm back onto campus, including new international students. We welcomed about 150 international students in our first meal and have been following up and meeting students since. Pray that they will desire to continue to meet with us through the year and that we can have significant God conversations that opens their eyes to his salvation in Jesus.

Pray for returning Christian students: Diego, John, Spencer, Stephen, Wendy, Yixiao and Liang, that they would serve others and grow in their faith, share the gospel and grow as leaders in the ministry. Diego from Brazil has

been leading others and sharing his faith a lot to other students. Pray for him to grow and flourish as he serves with a heavy study load as well.

Pray for these to know Jesus: Li Zhou and Penny (expecting a baby in December), Soheil, Ali, Amin, Amir, Mohammed, Adrianus, Asaf and Hamid. Pray for God to do miracles in the lives of the Iranian students, and for Rohan, Yuchen, Justin and Li Zhou to trust Jesus and find lasting peace.

New friends to pray for are Juan, a vet student from Columbia. We have been meeting weekly because he wanted to develop and grow personally, but this has moved into interest in Christ. Pray that God prepares his heart to receive Christ soon. Rohan and Yuchen are also very close to following Jesus so pray for them particularly!

Weekly Suppers

We have seen quite a range of people coming to our weekly meals, from 40-80, which makes it hard to know how much food to make! We are bringing in Christians from different vocations so that the students can hear about how faith in God has made a difference in the lives of people that they can look up to. Please pray that we will be able to confirm all the speakers, and that God will impact hearts through

Friends For Dinner

Please pray for the initiative we are doing called Friends For Dinner, where we connect Christian Families to International Students. Pray that we can have significant interest from both students and families to host them. Right now we have a modest interest. Pray that this will grow!

December Great Canadian Adventure

Please pray for this 3 day event which happens Dec. 28-31st. We hope for about 30 students to take time to be with us at Camp Kadesh in the frozen forests of Saskatchewan to explore faith and enjoy Winter together. Please pray for successful prep and planning as well as students who will come! We also hope to subsidize the costs of the tickets for students down to \$175/person. Right now the cost is at about \$220/person. \$600 has come in so please pray as we trust God to provide another \$700 to make this happen!

Global Campus Conference

An update on the Toronto Global Campus conference I co-led with other ministries to help equip people to minister to international students. We met our goal of seeing 300 people come to this conference and there were great speakers and new collaboration begun thought it. Many were encouraged. Our prayers is that out of this more people will make friends with international students and share Christ with them.

Financial Needs

Thank you for being a partner with us! A constant part of ministry is telling others how they can help this ministry be fruitful.

To finish this year and start the new year well we need about \$8000 in one time donations and another \$1000 in monthly support.

If you are encouraged by this ministry please consider what you can give or let us know of someone you could recommend our ministry to so that we can connect with them.
