

A.C.W. PLACE

SOCIAL ACTION

For over 60 years the A.C.W. has been sending bales to nine churches in the Diocese of the Yukon, three times a year; in March, June, and November shipped via Canadian Freightways at a reduced cost.

Bales are: 2' wide x 3' long and 1' deep. Made with an outer layer of fiberglass to keep the bale dry, 2 blankets (to keep the bale secure for transport).

Organizations that the A.C.W. help:

Mission to Seafarers; Aunt Leah's; the homeless of Downtown Vancouver; The Welcome Home Society, Surrey; Covenant House; Dressed for Success; and Working Gear.

Our Baby Layettes are given to new parents at:

VST, Regent College, requests from a Parish, and of course in the bales.
