

Revelation 12:10

“I have found this avenue of ancestral involvement to be the chief cause of demonization. Well over 95% of more than 400 persons I have contacted in my counseling ministry have been demonized because of their ancestors’ involvement in occultic and demonic activities.”

Deuteronomy 18:9-12

“When you come into the land that the LORD your God is giving you, you shall not learn to follow the abominable practices of those nations. There shall not be found among you anyone who burns his son or his daughter as an offering anyone who practices divination or tells fortunes or interprets omens, or a sorcerer.”

Deuteronomy 18:9-12

“Or a charmer or a medium or a necromancer or one who inquires of the dead, for whoever does these things is an abomination to the LORD. And because of these abominations the LORD your God is driving them out before you.”

John MacArthur

“The soldiers who carried these shields were in the front lines of battle, and normally stood side by side with their shields together, forming a huge phalanx extending as long as a mile or more. The archers stood behind this protective wall of shields and shot their arrows as they advanced against the enemy. Anyone who stood or crouched behind such shields was protected from the barrage of enemy arrows and spears.”

Chip Ingram

“One soldier is said to have come in from the battle lines with two hundred once fiery arrows still stuck in his shield.”
