PARTNERS IN CHRIST

A Study in Philipians

Recently we've begun a 10-week study in Paul's letter to the Philipians. As we quickly discover, this is a letter that speaks with fresh relevance to our world and lives today. Within these 4 chapters we find: Paul exploring the challenge of following Jesus in the face of opposition; the call to unity amidst diverse perspectives and agendas; the joy of Christ that no suffering can extinguish; and the life that is in Christ that death cannot defeat.

This morning we reflect on Philipians 1:12-30 and what enabled Paul to declare with joy amidst suffering and opposition, "For to me, to live is Christ and to die is gain".

Group study/discussion questions are available each week for personal and small group use. Find them on our website www.lambrick.com under "resources".

KIDS MINISTRY

Upon arriving, please check your kids in at our check-in station by the main doors. Children stay with their parents in the service until their programs begin.

PRAYER MATTERS

This week we pray for **Deborah Morris** with Interserve. We give praise for answered prayers for secure housing for Deborah, and for successful mission festival trips to Vancouver and Winnipeg. And now we continue to pray for seeds planted during these trips, we pray for people's hearts who hear the call to go, we pray for wisdom, guidance, and ongoing communications and discernment for God's will. We lift our voices to pray for our Interserve partners who work in tough places. We ask for God's protection and blessing during travel to the Arab World later in February for training and discipling new believers and persecuted church leaders. We are connecting the church in North America to support the persecuted in North Africa.
