BY THE SPIRIT

50 years ago, J.I. Packer, a wise Christian theologian, stated in his book *Knowing God*, "The average Christian is in a complete fog as to what work the Holy Spirit does." Although the ministry of the Spirit is widely sought and celebrated in some parts these days, Packer's conclusion is often still too true. This is startling in the light of the simple reality that the Christian life – life in Jesus – is, fundamentally, a life lived by the Spirit.

With this in mind, we will spend the coming season exploring together the person, passion and ministry of the Holy Spirit, not just for the sake of being informed, but so that we might truly honour, cooperate with and live by the Spirit.

PRAYER MATTERS

Today pray for Jenn Taylor, who is now learning Spanish in preparation for her mission to Chile with ABWE International. We are thankful for the successful surgery on her knee and the recovery that she is making. However, please remember to pray for her as she continues to heal. As a church family, let's remember Jenn as she goes through the adjustments and challenges of being a new missionary and learning a new language. Give thanks for the support she is receiving from her missions agency, the team around her and for her commitment to stay grounded in scriptures and prayer.
