BY THE SPIRIT

50 years ago, J.I. Packer, a wise Christian theologian, stated in his book *Knowing God*, "The average Christian is in a complete fog as to what work the Holy Spirit does."

Although the ministry of the Spirit is widely sought and celebrated in some parts these days, Packer's conclusion is often still too true. This is startling in the light of the simple reality that the Christian life – life in Jesus – is, fundamentally, a life lived by the Spirit.

With this in mind, we have spent this season exploring together the person, passion and ministry of the Holy Spirit, not just for the sake of being informed, but so that we might truly honour, cooperate with and live by the Spirit.

This Sunday we will shift gears away from the ordinary to the extraordinary, considering together "The Distinguishing Marks of the Spirit in Wild Times".

PRAYER MATTERS

This week our missionary prayer focus is **Jenn Taylor**.

Jenn is serving with ABWE International, preparing for ministry in Chile. She is two-thirds of the way through her year of Spanish training in Costa Rica and she performed exceptionally well on her second-trimester final oral exam! We give praise for an excellent finish to this trimester and pray for continued endurance and success through the upcoming final trimester!

Jenn is now enjoying a two week vacation with her family in New Brunswick; this is the last time she will see them until her home assignment in three years, so we pray for safe travel, and quality time as she visits with family and one of her supporting churches. Please also pray that she will be able to raise the additional financial support she requires.
