Advent Giving 2019

THE MUSTARD SEED CAFE MINISTRY FACILITY

This Advent, we have an opportunity to make a lasting difference for hundreds of people right here in our city. Our friends at the Mustard Seed lovingly serve coffee and pastries to 500-700 people every day, in a facility that is ill-designed and ill-equipped for this purpose. This year, our Advent offering will fund the transformation of their current space into a purpose-built coffee bar. In this venue, Mustard Seed staff can create a safe and welcoming environment for members of the street community, where, through Christ-centered relationships, they can serve meals, and come alongside individuals, provide advocacy and create strategic plans with housing, counselling, and job placement. You can find out more about the project, and how to donate at the Connect Desk.
