

CALLED TO MAKE DISCIPLES.

As most of you know, followers of Jesus are commissioned to make disciples as they are going through life.

Several of us went to the Fellowship National Convention last week in Richmond, B.C. The theme was discipleship and we were encouraged, challenged and instructed on the topic of making disciples.

Jeff Vanderstelt spoke of **"Gospel Saturation"** taken from Habakkuk 2:14. For the earth will be filled with the knowledge of the glory of the Lord as the waters cover the sea. Their desire is that... EVERY MAN, WOMAN, AND CHILD WOULD HAVE (sic) A DAILY ENCOUNTER WITH JESUS IN WORD AND DEED.

Paul Watson spoke of **"Contagious Discipleship Making"**. Their vision is that ...Within the next 20 years, we want to work with people throughout the United States and Canada to start enough Disciple Making Movements to help over 1 million people become Jesus' disciples and fall deeply in love with Him. He stressed that we are not only to make disciples but rather disciples who make disciples.

This is our desire as well and we expend much energy to help remove cultural barriers and provide cultural training and experience to facilitate discipleship to all nations from all nations. It is a daunting yet thrilling endeavour.

Below are a few pictures of the process in action. ☺

Blessed Christmas to you and yours. In Him. Mark and Catherine
