May 13th, in our Church calendar, is an "Optional Memorial" of "*Our Lady of Fatima*". Fatima is a call from the Mother of God for a renewed fidelity to penance and prayer, which basically is the message of the Gospel. Too, it brings out the desire of Our Lord that His Mother be better known, loved and venerated through devotion to her Immaculate Heart. We invite you to celebrate Life and the Family!

literally means "Good News." As Catholics we are the recipients of this Good News. Of the many negative words we hear today, there is one Word which is truly good news, Jesus, whose name means "God saves."...

With my brother Bishops, it is my prayer that on the occasion of this year's Week for Life and the Family, you and your family will be empowered by the Holy Spirit to encounter Jesus more fully by listening to the Gospel, and that you may joyfully live out this saving message by becoming witnesses of God, the Father's loving presence in the world.

The National Week for Life and the Family will be celebrated across Canada 12 to 19 May 2019, with the start of the week coinciding with Mother's Day.

Dear Catholic families, Once a year the Church in Canada sets aside a week to celebrate and reflect upon God's great gifts of life and family. Jesus tells us in John's Gospel that he desires for us to have an abundant life (Jn 10:10). The fullness of life we are to experience is only possible through the power of the Holy Spirit. In the Father's loving plan for humanity, families are called to share in and be a sign of his life-giving presence. This year's Week for Life and the Family will be observed from May 12 to May 19, with the theme, "Listening to the Gospel as a Family". We live in a world of constant news; bad news, fake news, shouldn't we hear some good news? The word Gospel

*Unplanned* is the inspiring true story of one woman's journey of transformation.

All Abby Johnson ever wanted to do was help women. Her passion surrounding a woman's right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in.

Until the day she saw something that changed everything, leading Abby Johnson to become one of the most ardent pro-life speakers in America.

*Unplanned* is the most important movie you'll ever see on the most controversial issue of our time. No matter which side of the fence you're on, no one will leave this film unmoved by Abby's journey.
