JESUS IS OUR RESCUER

While other founders of religions came to teach people, Jesus came to rescue them.

"Jesus is a teacher. He is also our rescuer. Because that's what we most need. Nothing in who we are or what we do saves us." – Tim Keller

Jesus did what we cannot do for ourselves. His death on the cross made us right with God. He died in my place and He died in your place and because of His death, those who accept His free gift of salvation are now free from the penalty and condemnation of our sins.

"We did not ask to be rescued, but God in his grace planned what we didn't realize we needed, and Christ by His grace came to achieve the rescue we could never have achieved ourselves." – Tim Keller

Psalm 91:14-16

“Make sure your chair is scooted up to the table of God's grace. Only in our relationship with the source of life can we expect to realize true life for ourselves. We can only really live when we live together with him.”
