Another Lesson From the Mighty Sequoia

The mighty sequoias are unique with their fire-resistant bark, but if there is an opening in the bark or if fire is too close to the roots, then the fire can get inside or underneath the bark. Once fire gets past the bark there is nothing to stop it. The fire won't consume the tree immediately, but the fire will smolder, essentially slow-burning the tree from the inside out.

Negative, emotional and evil spiritual fire for a Christian—or anyone—is dangerous if we allow it to take hold. A Bible proverb speaks of this danger: “Can a man take fire to his bosom, and his clothes not be burned?” (Proverbs 6:27).

Becoming offended, being offensive or harboring hatred, anger or wrong desire is like a slow-burning fire that can consume us from the inside and cut us off from Jesus Christ and His people.

God has “concealed” many wonderful spiritual truths and lessons in His creation for you to seek and find (see Proverbs 25:2). As we ponder God's creation, let's remember the spiritual lessons from the mighty sequoia.

*It is the glory of God to conceal a matter,
But the glory of kings is to search out a matter.
Proverbs 25:2*

Call to Worship Scripture Ephesians 3:17-18

And I pray that Christ will be more and more at home in your hearts, living within you as you trust in him. May your roots go down deep into the soil of God's marvelous love; and may you be able to feel and understand, as all God's children should, how long, how wide, how deep, and how high his love really is....

Children's Ministry

Beulah offers a unified service that serves the whole family during the 10:45 Morning Worship service. Children, ages 3 years through 5th grade, will be dismissed during the "handshake meet and greet" to go to Praise Factory A.M., our term for a Sunday School class on their learning and age level. Praise Factory P.M. will reconvene in the fall.

Welcome Gideon Speaker to Our Service Today!

Gideons International is the nonprofit group of men and women that places Bibles in hotel and hospital rooms, nursing homes and doctor offices. Maybe you've used one of these Bibles before. There is a listing of "Helps" in the back of every Bible that is very useful for times of need.

Beulah Baptist has supported this organization for a number of years. Today, our own Mike Allen, who has been a Gideon for many years will be telling us about this work. Let's pray for the Gideons who volunteer with this organization, and for their ministry of sharing God's Word.

Semper Fi

Latin for Always Faithful

An atheist professor was teaching a college class and he told the class that he was going to prove that there was no God.

He said, "God if you are real, then I want you to knock me off this platform. I'll give you 15 minutes!" Ten minutes went by. He kept taunting God, saying, "Here I am God, I'm still waiting."

He got down to the last couple of minutes as a big 240-pound Christian Marine happened to walk by the door on his way to a school recruiting meeting. He stopped and listened to what the professor was saying.

The Marine walked into the classroom and in the last minute, hit the professor full force, sending him flying off the platform.

The professor got up, obviously shaken, and said, "Where did you come from, and why did you do that?"

The Marine replied, "God was busy; He sent me!"

**The mind, like a parachute, functions only when open.
Cynics look high and low for wisdom—and never find it; the open-minded find it right on their doorstep!**

Proverbs 14:6
